# DUET OF DAWN AND DUSK

## “Join the dance of light and shadow.”

Join the dance of light and shadow in the ninth booster set, Duet of Dawn and Dusk! Fan-favorite characters such as Vania return alongside new characters such as Faust, bringing powerful new upgrades to existing archetypes.

Make your choice wisely between two sides of the same card and take control of fate, with more double-sided cards than before! Double-sided cards, first introduced in the previous set, allows players to play one of two variations of the same card to utilize different followers or effects for an edge in battle.

Beyond the day and night, fate awaits your choice.
